Sad, you see? • Sadducee • Sad; you see.

**T**he JW's like memory mnemonics -- like in English there is an alphabet song. To help with remembering the difference between two groups of assholes, the Sadducees and the Pharisees they say; "That's why they were sad you see, because they didn't believe in the resurrection." Let's talk about believing in a resurrection. Understanding the belief system of these ancient sects seems like sophisticated knowledge. Apple's Mac dictionary has this to say:

"The Pharisees are mentioned only by Josephus and in the New Testament. Unlike the Sadducees, who tried to apply Mosaic law strictly, the Pharisees allowed some freedom of interpretation. Although in the Gospels they are represented as the chief opponents of Christ they seem to have been less hostile than the Sadducees to the nascent Church, with which they shared belief in the Resurrection."

The JW's don't seem like they have command over that much knowledge now, do they? Before delving into the buzz-kill realities of some form of resurrection -- some you see (ooh I see it, so proof), some you don't (buzz-kill on this no see 'em poof stuff) -- the importance of a Mnemosyne system is that it does map to the Ggods. Boo-yah! JW's be pagans. What did they do with their pagan powers in Russia and places not US? They removed from the Ggods their cloaks of many colours. You flip to the back of one of their New World Translation Bibles and you will see the Hebrew calendar they use is the same lunatic bullshit of everyone else. As a child, I tried to understand from reading the Gospel, how did someone know about the Sadducees that they did not believe in the resurrection. No, there were no people to ask questions of that ilk with. That was simply an internal to My mind question noted in memory like so many Kingdom Hall moments.

Exalted Excellency the Honourable Mr. Putin President of Russia:

Let's talk about believing in a resurrection.

Like the doctrine of being born again this was a matter of understanding how one can be born again? How do I go back into my mother's womb, that sort of thing. Then there are modern people that are enlightened, just ask them, because they understand this is spiritual baptism'ish event with no physical symbolic events. Then there are the people dipping each other in pools to symbolise they have taken on a new spirit, sometimes referred to as a new personality leaving the old behind. Okay, but these pools are either pollution filled oceans, lakes, and rivers or are chlorinated. Where is the purity? Who receives a baptism in a deionised distilled bath of pure water and it is only one use? Well, churches protected the basins that they baptised babies in with a symbolic representation closer to purity and a parent is getting that symbol on the child early. A prayer of heart if ever there was one. The JW baptism is as unholy as all the things they have done to look like they have no association with Holy vessel type practices. Slaughter fodder, capeesh?

They go to Hell regardless. Putin, I suspect you are asking for some kind of extension. On what grounds do you receive extensions from Me? Where is the hospitality? Where is the care? Where is the opportunity for Me to labour before Heaven petitioning an extension beyond Christmas 2025 for you to commit because I have reason to see good in the Russian people? What are you doing to demonstrate any faith in My person? So, Christmas 2025 is the cut off. This is first come first served. Germany has its open offer, you now no longer have the OWG, but saving the Russian people from Hell, that's good right?

The five year plan will commence from Christmas 2025, so you can show some early hospitality to sweeten your respect of My office or learn you can get something else. But all there is, as you are proving Russia a cheapskate, is what I can assure the Ggods exists without any funny business on My part. You see, I was in the place of changing My outlook early in My ministry because I was not seeking who God's enemies were. I was protecting God's enemies. A big no-no. You want a little something better? Pay up with some hospitality, and I have a reason to argue with God. It's true, the President of the United States is unprecedented in how he has fucked over God's slave. Because what Trump is after is so vile, he is allowed to keep using the slave vilely. As a child, I was My own perfection in body form and as he fucked Me then we are upholding the miracles he receives.

Mahalo,
