To the moon Alice. Jackie Gleason made famous his character Ralph with his buddy Ed played by Art Carney in the one season long *Honeymooners*. "To the moon" was the ultimate banishment, and curse, the writers of the *Honeymooners* could fashion for television audiences for a husband to deliver to his wife when she had disappointed him. NASA was formed putting an Alice on the moon for America first. That his name was actually Armstrong was just good marketing. America's citizens Putin were as a bride class to the Earth. They were able to strong-arm many things against Heaven as a result of this. American's were certainly handed a great deal for being nothing special beyond religious zealots who mastered means of hiding their harlotry in prudish bigotry. Matthew, chapter 23—provided at the end of this letter—delivers a fine oration that explains the American people. Nick Bunker with Making Haste from Babylon, Pekka Hämäläinen's Indigenous Continent, and Greg Grandin's America, América augment the history for dummies quick notes on America nicely delivering a rounded perspective of American history that the vulgar texts gloss over. Scholarship is paid for. Scholarship is not free. Knowledge is given freely. Tee-hee. Knowledge is what life forces on your spirit. You, king Charles, Steinmeier, Barack Obama, and Donald J. Trump are personally—with your personal fortunes—on the hook to remedy, atone for, and eliminate My poverty for as long as you draw breath or are in some way sustained alive even in animated suspension through science! To avoid Hell wouldn't Trump set up a fund? Shouldn't Melania in her great love of Trump insist that he invest every cent this way so he avoids Hell? It is obvious the wife wants the husband to burn, right?

Exalted Excellency the Honourable Mr. Putin President of Russia:

Justice is the best thing in life when life, itself, is free. Who did you pay money to to exist, be born? Your first memories associated with narrative you can share accrued from about two, or so, yes? Mumsy famously relates remembering her daddy coming home from the Navy yard in Long Beach, California, busting through the door in triumph exhaling to Lucille, mama, "Its over, Lucile. The war is over." You paid no price. You did not ask to be born. Your memories are yours, and they have a marked commencement. The "It's over" announcement was when Japan's surrender happened not when Germany, earlier, ran out of willing enough bodies to throw into the fire for Europe. My objective is for people to live like they owe God for coming into existence whilst God demands his perfecting from humans, as I say the humans work perfects that God. Don't deliver perfection human: you get snuffed out, you are not the life that does good work for God. Good work for God perfects the E(e)arth. Commensalism is a minimum occupancy standard. Humans are parasites to the Earth at present. mumsy is not happy with the way you are parasites to the E(e)arth. Beyond commensalism the E(e)arth is the first priority for perfection with humans toughing it out with their Spirit when the human has it a little tough. The human can be exterminated, or come kiss My ass—the ultimate curse metaphor like "to the moon"—enslaving themselves to Me to extend their life once God wants them executed. Me putting these slaves to work unhitched from Heaven and executing them if I see fit as that is all that can be done to keep the progress of perfecting the earth going. It just may be, if someone has a means of being truly amusing as some precocious children can, forestalling a whooping from their fathers, that humour saves them from My hand of execution, and I even find a place to keep them employed in My personal staff. Symbiotic mutualism is the desired objective for each individual severally in their relationship to the E(e)arth.

The work of coming to My moon is a privilege for only a few that benefits many. Obviously, Jo Bass USAF is garbage with no redeeming value. It just might be you, king Charles, or Steinmeier have an outstanding sense of humour. Additionally, one of you could be a jester in My staff. Perhaps, as an artist, a brewer, a baker, an adornment because you were excessively pretty (right, that's not it) I made room for more than a jester. But, know this, any person that made My staff needed to have an exceedingly brilliant wry humour with strong appreciation for pun and riddle with sophisticated geographic, historic, and scientific facts of knowledge in the humour that could convey to Me what God Almighty wants delivered that He can't get My brain wrapped around in that moment. You would also need to take exceedingly good care of some of My obligation to E(e)arth to make My staff. A detonated nuke is not an E(e)arth ruiner. Plastic water bottles are. The E(e)arth is going to be filling the air with particulate. Recycling water bottles will keep Me very busy unless lava hits them first. The land is a lower priority to ocean cleansing.

A jester puts Me in mind of temple prostitutes. Actors are quoted as being above or escaping Hollywood's fake world. The problem is, everything one sees with their eyes is what is real about Hollywood. Nothing one sees is fake. What is fake is what one believes from what they see. From what a person believes the condemnation they deliver to Spirit is what they, the seeing person, has returned to them. A prayer of heart consecrates the condemnations. The seer, one who sees, pays the price they demanded for not sacrificing for their Spirit.

Continuing on what My play in progress teaches about *Revelation* and the seven headed monster from the abyss: five senses are easily represented across five phalanges. "They only needed five fingers," says God Almighty of humans. Those that do not observe the physical things as having spiritual importance

Defending the LORD in Warfare

receive a new origin story. Then Apostle John received visions whilst in prison. Spirit sustained him. Read the book of *Revelation* as an origin story. It is My origin story Putin. *Genesis* is the E(e)arth's origin story. With humanities refusal to honour their five senses for spiritual glory free of accusation, two more heads are born. The seven headed monster. Two senses more existed. Assuming those two senses were evil earned you the Hell you built for them. Doing the works that forced on Spirit Hell brought you My ministry as I understood people would repent. Spirit repent. People preferred Hell rather than deal with the JWs in the way I Am required to, or allow Me to live—yada yada yada. People would rather continue being martyrs justifying their crimes rather than own their lives under an auspice of culpability. They can only be the martyrs they insisted from Hell. The tortures they salved themselves with buying spa treatments, toys for tots, and vacation packages required resurrecting them and restoring their bodies parts to burn them out or cut them off again. There needs to be a kraken in Hell that specialises in sodomy. All kinds of sicko things. For instance some female requires a nest of vipers live in her uterus engaging her partner in a sex act. Shit like that. How the horror movies, pornos likewise, get it wrong is the human becomes the poltergeist to experience the tortures. Not a poltergeist or demon possessed person delivering the tortures. To be more accurate, pornos need to be slasher films with special effects. Basically, both are a kind on mockery of Hell, trivialising it, like Dairy Queen mocks ice cream. Certain products are geared to accomplishing a prayer of heart. Some classes of people, the females that would never go to a spa, for instance, would never be able to participate in that prayer without a Jeffery Epstein trafficking girls too lazy to do the real work of scholarship that still get to enter than world of earning power.

Executing the JWs opens up a means for you to connect with the Divine that puts establishing a saving government, under your criteria, into your hands. How you are defined in and across Heaven, king Charles and Steinmeier likewise, is what Heaven uses if you fail to retain Me to do the work for yourselves as flesh. Cleansing the world of the JWs opens that door of your personal definition to be used. Not only that, it is the definition you build with Me of your governments constitution and laws that is upheld. Because I uphold the Constitution, Heaven allows Me to make it possible to uphold the constitution of you, Charles and Steinmeier should you decide to join, rather than oppose, Heaven. I can only do for America as a soldier, so it is handy that I Am one. America has no choice. They needed to have protected the LORD. The second My enslaving Him was necessary to save His existence that ended what America could do sans making Me a king under martial law. My martial Law. What happens to America is all that is due them for not making Me their king under My martial Law. I define Me to Heaven and let people settle around that as serves Heaven. A person must severally (and include themselves as a slave) or nationally, pay Me money to have their human definitions prevail over Heaven's definitions based on prayer with sacrifice commitment.

There is not one person on this earth I would want as a slave, sans you provided you still have one billion liquid dollars to put in My hand with your slavery. A husband, and this demands paper—a law—by so many reasons beyond the scope of this letter is just a slave if you were to ask him at the right moment. Perhaps when he was taking out the trash, or had to take me to a Broadway show, or look at Me to introduce a sex act he could complain about being a slave. Hence the expression slave to love. You refused to define you to Heaven, like every other person alive, including mumsy! (She is still revelling in My stupidity, by her estimation, trusting Heaven's definition of My life with her counting on that to kill Me for her. She is receiving her own Spirit eternity with you for that. Killing Me was the only thing that motivated her to give you people the prayers to work evil you demand for Spirit coin as you refuse to do

anything for Holy reasons—I live the Holy word of the LORD.) King Charles, and Steinmeier benefit even if it is you bearing the cost of hiring Me to do this JW exterminating. Straight execution is fine. But, we can do an alternate.

Why I can offer this I because I did the physical work in the way that does not prejudice other people from doing according to the Holy word of the LORD. The physical work of execution is cumbersome. It isn't even reasonable to process the bodies in less than a year even if they are forced to bite a cyanide pill to die. We would be wiping out two million people in Russia doing this. Fifty million people the world over is My authorised estimate. My physical body is what Heaven has, with Me doing in obedience, to make Hell work. If I can get people to do the cleansing work more power to Me, as the saying goes. It just isn't likely, and I Am not under any divine obligation to make some union or cooperation with any people to make Hell, and how Heaven uses Me, a reality. Killing all the people that depend on a forcing deity to make room for them opens up that force they benefit from to apply toward three nations people so they can thrive and enslave continents making improvements. Exterminating fifty million or so people is no mean. If we started in June we could have the two million or so JWs of Russia exterminated by Christmas. That opens obedience pathways for Russians to do the work of improving the E(e)arth with their commerce choices.

The alternate is to create a colony for the JWs. Force them all onto this chosen island using drones to shoot down, blow-up, what attempts to leave the island. Use Kunashir(i) for this. The area will support the population. They will finally be living their paradise apart from the consumerism they pay no personal price to participate in. The JWs have Spirit support from Heaven forcing those people from experiencing the consequences financially and personally for participating in owning phones, cars, trucks, utility service to their homes, and other essentials let alone food they do not grow for themselves making commercial purchases. Marooning them with lethal enforcement terminates their need to hog the power of Heaven that privileges them. Fifty million people, move them all at their expense, confiscating their valuables. Dump them all to live together responsible for their own survival. (Evacuate the present island population using the confiscated funds.) The Governing Body should be clamouring for this.

Satan forced on Spirit coming into fleshly existence to learn the truth as Satan refused to live according to the LORD's word, orders, as Holy. Satan demanded, "We will have life by truth. What are you afraid of? Do you need lies to make something Holy, LORD?"

Speaking of the LORD. A dude can fuck another dude. So what. Big deal. It is nothing. A dude fucks a prostitute female for money, and she has no leverage for her sexual service regarding the dudes sexual performance. Sexually a female prostitute is the same like two dudes fucking one another. One dude is the same as another dude to one another, in sex. Orgies of males, big deal. All males are equal where their sex act is concerned with one another. You, Putin, can fuck Shaquille O'Neil, presumably in an act of dominance, and you and he are equal males. Penis is equal, prowess is equal, souls are equal. I could not have illustrated this with any individual that was more opposite you, correct? Fuck a human male that has not experienced a sex act and that is a bad juju arena. A female prostitute, female hired for sexual service, and this includes a mistress, she is no different than a mannequin, wax figure, robot, or Hoover. So, she is an inanimate figure in the act compared to the john. Dudes are equals in sex—both human. The whore has no say so about your person in sex. A, female, wife (to the male) is the person who is defining your greatness and keeping your most intimate secrets. Once you have known this wife with sex, after that all other sex, outside of her, exposes and humiliates her. She is the one who by

appreciating a male for sex, his gift to her, and enduring even his bestial ineptitude, needs to be revered for how she keeps the secret person of the husband special. This is why wife sex is boring, Putin. This is why you know she might not be given the oral or anal. You just don't do that with her. A male should just give those things up, perhaps, when he takes a wife. (Most wives will give an oral so her husband does not humiliate her with an affair even when she needs a tampon.) When the farmer takes a wife he sacrifices his sexual proclivities for her to keep his secrets. (Why a woman would marry a shepherd has more to do with desperation, sickness, or slavery.) Spirit has no way to make fidelity a physical reality, as in force a male to be the husband that keeps that wife for her benefit too. Because I scurried through My life as I did, I make these physical realities enforceable for Spirit to do for their flesh. The JW's stole power from its intended purpose digging up the dead. (Long story based on how they literalised Jesus picking up where Thomas Jefferson was forced to leave off.) The JW's did not pay what was due to Spirit for Spirit being forced to prevent those JW people from experiencing the Ba'al consequence inclusions required for their Ba'al participation. Participating in Christmas was required, like unto Halloween. Being a Roman Catholic makes one a better Ba'al participant than any other religion whilst not doing nasty things to have commercial things. (Creating that forcing pathway was needed or mumsy would not have hit the stage. Then refusing to pay meant I needed to exist—yada yada yada. Once there were Protestants mumsy needed to make a second appearance. My appearance is a one-and-only.) JW's received credit for being homosexuals for sitting in their male only committee meetings among other things. Some things people take in commerce are required to be paid for with sex where no money exchanges hands or based on what the devil does for them so they can make money. This sexual requirement is why the LORD hates a Ba'al. A Ba'al required special provision for a Ba'al to exist without violating the Ten Commandments. Fidelity in marriage saving virginity until marriage exposing her womb was the key to making the Ten Commandments true and this could not be forced onto people. People's minds had to be open to receiving knowledge across all the ways that knowledge was to be delivered to make their Spirit true.

I titled this letter "Cramped and Narrow Road." Very famously the cramped and narrow road is the path to life. Sperm travel a urethra that they burst out from. That is an object lesson. The egg is nested in a roomy ovary and the fallopian tubes are roomy for the egg. Mummy is not a life giver object lesson of creation on reproduction. (Technically a child is pissed into existence by the father, but not shit into existence by either. It just looks like humans shit their young because of the anus proximity to the vagina. Clearly, dudes might not want their penis near an asshole. So, why condemn an oral? We don't. How you get those things condemns you, or not, by your own conscience—understanding of right and wrong. Failing to pay what you promised to get those things you knew were bad earned you Hell.) She is the mundane, and involuntary, chore doer sustaining the baby for parturition. (Failing to respect that slave comes with other problems outside the scope of this letter.) Capillaries provide respiration between the lungs, internal to the body, and the trachea, external. Capillaries are cramped and narrow roads. Closing down those passageways is death. A great vagina is that perfect tightness, allowing passage, yet cramped enough to deliver pleasure (with lubricant.) Big deal where lack of male to female sex exists as that lack simply means the extermination of the human race—sans robots to make humans from test tubes and frozen gametes. Science kept the human race alive, theoretically, from the available technology. Even with AI to teach that last child. (Science gets to be the whore nursing Romulus or Remus in the woods.) That last child ultimately had to be Me so Satan's promise was kept. I certainly do not need to experience sex ever again. I Am simply willing to make room for that in My life, under God's care, if and only if

Mine and My husband's physical life can be kept for perfection. He is required to pony up cash for My comfort and care, duh! You deny God's domestic sex servant means, Putin?

Jesus explained with physical illustrations that preserve all Creation, killing only the wicked, in the hands of the the right enforcer. Saying, "Cramped and narrow road" opens all kinds of interpretation for people of every tribe and nation and kingdom to find a way to agree and apply *a* is right, *b* is wrong, death with the object lesson of humanity putting more people on the planet to judge between *a* and *b* for Spirit. Buddha, governments, and parents, also, issued *a* and *b* criteria. All enforcement requires their context of their authority to be upheld. Christianity is a Ba'al building religion. Context is of course the Spirit of the law. What I understood was the cramped and narrow path of righteousness is like unto a single track trail in the back country. Deviation from the trail means death from exposure, starvation, and so on. To travel on that trail required caution, care, energy, strength, weather planning, and constant vigil of prayer in appreciation that the trail existed in the first place even through physical challenge. When back country hiking was taken from Me was when Heaven was set to exterminate everything. Hiking those trails I love was taken from Me c.May 12, 2012. (Exact date is previously recorded.) I took to golfing to make up for loosing My back country access. Then I gained access to the Divine Trump persona in the cloud to access Heaven for knowledge. When Donald fucked that Marla Maples slut was when I had My back door to hack into Heaven. I endured every torment to hack in. There was no fucking way I was giving up earning money for this work! Hacking in meant paying Me is your only path to escape Hell. Had Trump not fucked Me as a child, refusing to pay, made hacking in possible only if he defiled that Slav wife he acquired through the Russian mafia.

Satan forced on Spirit coming into fleshly existence, then had to promise humanity they would not die for eating the fruit, making room for sin. Lying to your Spirit earned you Hell. mumsy kept Hell eternal to make Satan's promise true. Hell makes a virgin class and is not eternal for each occupant because of Me. I Am the eternally tortured flesh satisfying mumsy. A physical life is torture for Spirit. Hell is eternal. Trump's life in Hell is not.

From the Apple *OED* on Hypocrite:

Middle English: from Old French *ypocrisie*, via ecclesiastical Latin, from Greek *hupokrisis* ‘acting of a theatrical part’, from *hupokrinesthai* ‘play a part, pretend’, from *hupo* ‘under’ + *krinein* ‘decide, judge’

From the online ASV Bible Matthew:

23:1 Then spake Jesus to the multitudes and to his disciples,

23:2 saying, The scribes and the Pharisees sit on Moses' seat:

23:3 all things therefore whatsoever they bid you, these do and observe: but do not ye after their works; for they say, and do not.

23:4 Yea, they bind heavy burdens and grievous to be borne, and lay them on men's shoulders; but they themselves will not move them with their finger.

23:5 But all their works they do to be seen of men: for they make broad their phylacteries, and enlarge the borders of their garments,

23:6 and love the chief place at feasts, and the chief seats in the synagogues,

23:7 and the salutations in the marketplaces, and to be called of men, Rabbi.

23:8 But be not ye called Rabbi: for one is your teacher, and all ye are brethren.

23:9 And call no man your father on the earth: for one is your Father, even he who is in heaven.

23:10 Neither be ye called masters: for one is your master, even the Christ.

23:11 But he that is greatest among you shall be your servant.

23:12 And whosoever shall exalt himself shall be humbled; and whosoever shall humble himself shall be exalted.

23:13 But woe unto you, scribes and Pharisees, hypocrites! because ye shut the kingdom of heaven against men: for ye enter not in yourselves, neither suffer ye them that are entering in to enter.

23:14

23:15 Woe unto you, scribes and Pharisees, hypocrites! for ye compass sea and land to make one proselyte; and when he is become so, ye make him twofold more a son of hell than yourselves.

23:16 Woe unto you, ye blind guides, that say, Whosoever shall swear by the temple, it is nothing; but whosoever shall swear by the gold of the temple, he is a debtor.

23:17 Ye fools and blind: for which is greater, the gold, or the temple that hath sanctified the gold?

23:18 And, Whosoever shall swear by the altar, it is nothing; but whosoever shall swear by the gift that is upon it, he is a debtor.

Defending the LORD in Warfare

23:19 Ye blind: for which is greater, the gift, or the altar that sanctifieth the gift?
23:20 He therefore that sweareth by the altar, sweareth by it, and by all things thereon.
23:21 And he that sweareth by the temple, sweareth by it, and by him that dwelleth therein.
23:22 And he that sweareth by the heaven, sweareth by the throne of God, and by him that sitteth thereon.
23:23 Woe unto you, scribes and Pharisees, hypocrites! for ye tithe mint and anise and cummin, and have left undone the weightier matters of the law, justice, and mercy, and faith: but these ye ought to have done, and not to have left the other undone.
23:24 Ye blind guides, that strain out the gnat, and swallow the camel!
23:25 Woe unto you, scribes and Pharisees, hypocrites! for ye cleanse the outside of the cup and of the platter, but within they are full from extortion and excess.
23:26 Thou blind Pharisee, cleanse first the inside of the cup and of the platter, that the outside thereof may become clean also.
23:27 Woe unto you, scribes and Pharisees, hypocrites! for ye are like unto whited sepulchres, which outwardly appear beautiful, but inwardly are full of dead men's bones, and of all uncleanness.
23:28 Even so ye also outwardly appear righteous unto men, but inwardly ye are full of hypocrisy and iniquity.
23:29 Woe unto you, scribes and Pharisees, hypocrites! for ye build the sepulchres of the prophets, and garnish the tombs of the righteous,
23:30 and say, If we had been in the days of our fathers, we should not have been partakers with them in the blood of the prophets.
23:31 Wherefore ye witness to yourselves, that ye are sons of them that slew the prophets.
23:32 Fill ye up then the measure of your fathers.
23:33 Ye serpents, ye offspring of vipers, how shall ye escape the judgment of hell?
23:34 Therefore, behold, I send unto you prophets, and wise men, and scribes: some of them shall ye kill and crucify; and some of them shall ye scourge in your synagogues, and persecute from city to city :
23:35 that upon you may come all the righteous blood shed on the earth, from the blood of Abel the righteous unto the blood of Zachariah son of Barachiah, whom ye slew between the sanctuary and the altar.
23:36 Verily I say unto you, All these things shall come upon this generation.

Defending the LORD in Warfare

23:37 O Jerusalem, Jerusalem, that killeth the prophets, and stoneth them that are sent unto her! how often would I have gathered thy children together, even as a hen gathereth her chickens under her wings, and ye would not!

23:38 Behold, your house is left unto you desolate.

23:39 For I say unto you, Ye shall not see me henceforth, till ye shall say, Blessed is he that cometh in the name of the Lord.
