C *'est la vie or bonjour, your choice Netanyahu.*

Mr. Netanyahu: You have until July 4, 2025 to fund My office with \$3,000,000.00 US dollars cash, placing said specie in My hands before moonrise Corpus Christi, Texas, time or come high moon Heaven begins the total annihilation of all persons claiming Jewish heritage or association with Israel from off the planet. Savvy? This includes all persons knowingly speaking Yiddish.

Jack ass, outside of that you can make Me your king, and I will step up to saving your sorry asses on the world stage with warfare! No, there are many in the United States that would not survive My kingship. Jews that walked away from fornication, even as coke whores, would. Provision for the cocaine distribution market would be short term only. Fuck you abortion stool warming letter reader!

Mahalo,

the Christ
