Going My way: by hap, by Jove, by jingo.

**A**lliance with Netanyahu you can make. Yes, there is anger that America is stealing the Divine limelight of Israel's "holy" war against the bogeyman. From the Israeli perspective they would be saving you (Russia) from the devil by trade with warfare alliance.

Exalted Excellency the Honourable Mr. Putin President of Russia:

You have until May 26, 2025, sundown -- CST to pick Me up from Corpus Christi, Texas, and have Me aboard the vessel that will sit in harbour beginning from that geographic point to take over the entire national region of Israel, then beyond. Once this offer is expired, Heaven takes point on this.

Mahalo,

the Christ
